

Age Of Magic immerses the player in the shoes of a young student from a prestigious school of magic. Go on an epic quest and explore the world of Age of Magic populated by monsters, combat and mysterious objects. The player progresses thanks to quests all related to one main story arch. Players will discover the story and the game mechanics as they move on into the story.

A FANTASTIC COMMUNITY

Age of Magic emphasizes the social aspect and the community. Each new series of quests is the opportunity to meet on the forum and to exchange tips and solutions to some tough quests or riddles. Players also have the ability to create or integrate a family in order to play and have fun together. They can then perform common quests, the rewards for working together benefit all family members.
