

EREDAN GT

Become a true hero

Eredan GT is a role playing game set in an original medieval fantasy universe developed by Feerik : Eredan.

Eredan-GT takes place in a faraway land named Yses, a full civil war has exploded following the assassination of King Gaumatta. A Grand Tournament is organized in order to select the new King of Yses. Each nation is free to participate therefore all Nations call upon their greatest heroes with hope of victory.

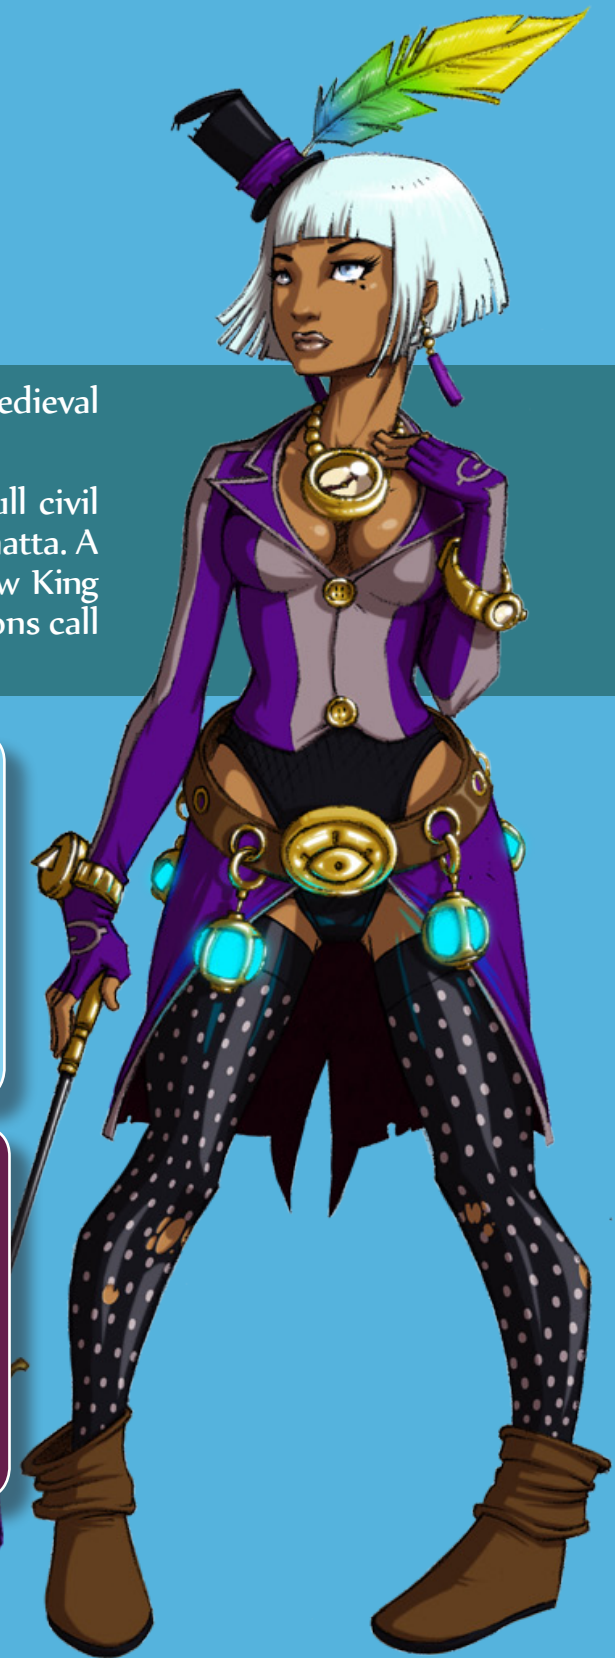

AN ACTION ROLE PLAYING GAME

The player will have to pick one of the 5 Nations. Through his travels and adventures, he will discover new fighting techniques, hundreds of weapons and armor.

Each one of his feats, quests, victories in battle will bring Honor points to his Nation. This will be decisive to the final battle!
